

KILLER

COCKTAIL

**DRUGS/ALCOHOL COCKTAILS CAN BE LETHAL.
KNOW YOUR LIMITS!**

**You'll all have a much better Festival
if you avoid over-doing it.**

**If you are concerned that one of your friends
requires assistance ask a steward or security
guard to point you towards
THE WELFARE TENT**

STAYING SAFE

Top safety tips to ensure you have a fun but safe festival.

Drink plenty of water

Take a break from dancing

Look out for your friends

Be very careful if you are mixing different drugs and / or alcohol

If you choose to use drugs, try a small amount first and tell a friend what you are taking

If you feel unwell, get to the welfare tent
