It is not just at Halloween when unexpected callers turn up on your doorstep.

- Remember official visitors should always make an appointment beforehand.
- Look through the door view or window to see who is outside.
- If you decide to open the door, put the chain or bar on first.
- Check the caller's details before you let them into your home. Telephone the relevant organisation to confirm the caller's identity.

Do not rely on a phone number that the caller gives you.

- Do not be tempted to deal with businesses who call at your door, both Derby City and County Councils hold lists of trusted and approved traders.

**Report any crimes or suspicious incidents
to the police on 101,
or dial 999 in an emergency.**
